SIDE SHOW:

THE LONG AND THE SHORT OF IMPROV

A short-form improvisation, like those seen in the series *Whose Line Is It Anyway?*, is usually under 5 minutes and may be used as a warm-up game. *The Glorious Story Emporium* will be using long-form improvisation. Long-form is a single plot that lasts for the duration of a show, with a dynamic storyline that evolves based on suggestions from the audience. Either way, improvisation has taken the spotlight for a long time, dating back to as early as 391 BC!
